110 kg (per one part of  
the mattress)

Mattress "Liza Royal De Lux" is a mattress based on an independent spring system unit and a pocket made of durable steel (256289 springs per 1 sq. m. m.). Cactus makes the surface durable and light. The mattress will provide optimal support for the spine during sleep. The surface of the mattress consists of foam on one side and Ortofoam foam on the other. Due to the used filler, mattress is dust mites and other parasites free.
